Dear Parents/Guardians of Riverview East School:

It's hard to believe the school year is quickly coming to an end and that this will be the last newsletter for the year. June promises to be a busy one, so please keep your newsletter handy to keep the dates of all our up-coming events. We still have four weeks of curriculum to cover. The focus will still be curriculum based for the month of June.

### SCHOOL NEWS

**June is National Indigenous History Month in Canada**, an opportunity to learn about the unique cultures, traditions and experiences of First Nations, Inuit, and Métis. It's a time to honour the stories, achievements, and resilience of Indigenous Peoples, who have lived on this land since time immemorial and whose presence continues to impact the evolving Canada.

**Report cards will be sent home on June 21<sup>st</sup>.** If your child will not be present on that day, the report card can be picked up at the office on June 24 or 25, or in September.

If you are **requesting an alternate busing** situation for next year, the form must be filled in and brought to the school prior to June 14<sup>th</sup>. The earlier you get them in, the better. In the fall, it takes weeks for the requests to be approved by transportation. An alternate request would be for students who need to take the school bus to or from a different location other than home, for example, an in-home daycare, Power Play daycare, a grandparent's house, etc. The alternate location must be in our school's catchment. This request must be submitted every year, even if it was approved the previous school year.

### FRIENDS OF THE EAGLES NEWS

**Our Friend of the Eagles will be having a school-wide lunch for our students on field day on June 19<sup>th</sup>.** All students should dress for outdoor activities for this day, proper footwear, comfortable shoes, hat, and sunscreen are needed. If you do NOT want your child to have a hot dog, a bag of chips, and a freezie, simply send in a note in your child's agenda before field day and send them their own lunch for that day. Friends of the Eagles cannot guarantee allergen free food. Rain date for field day and lunch is June 20<sup>th</sup>. You will need to still pack a recess snack. One hotdog per student, so if your child needs more for lunch, please send a packed lunch for them. We will have Halal and vegetarian options as well.

**We would like to personally thank our Friends of the Eagles, as well as all others who worked so hard to make this year a success! Our success would also not be possible without the generous support of our parents. On behalf of RES staff, we would like to thank all of you because we could not do what we do for the students without your help! We're looking forward to working with you again next year.**

Sincerely,

RES Admin Team
