June is Pride Month in Canada. Pride Month is a time to celebrate love, acceptance, and being proud of who you are. It recognizes and supports people in the LGBTQ+ community. Pride Month is also an opportunity to learn about kindness, respect, and inclusion, and to celebrate the diversity that makes our communities stronger.

National Indigenous History Month is celebrated in June in Canada. It is a time to learn about and honour the history, cultures, and contributions of First Nations, Inuit, and Métis Peoples. During this month, we show respect and learn more about Indigenous traditions, stories, and communities that have been here for thousands of years. It's a special time to listen, learn, and celebrate!

Our annual **Field Day** is set to take place on **Tuesday, June 16!** This beloved tradition brings students together for a day filled with fun games, exciting activities, and school spirit. Organized by our amazing Phys. Ed. Team, the event promises laughter, teamwork, and unforgettable memories for everyone involved. All students should come dressed appropriately for outdoor activities. Please ensure they wear comfortable clothing and proper footwear, and bring a hat and sunscreen for sun protection.
